THE WATER SONG

Water...
The most beautiful resource
Water...
A transparency you can see
Water...
Delicious liquid to be drank
Water...
Refreshing thing we need to live.
We love water,
We care about water,
We need the water,
We protect water.
Water...
The plants need it to grow up.
Water,
The sky cries and it falls down.
Water...
Rivers, oceans, lagoons and pools.
Water... A gift from earth, a gift to you.

"Un lugar donde tu hijo desarrollará sus habilidades."
